# MILLION DOLLAR FACIALS

## Million Dollar Facial

60 mins - £115

A luxurious facial where science meets indulgence. Working your skin from the outside in, this treatment has been designed to deeply exfoliate dead skin cells and remove non terminal hair, polish the skin, flush toxins, increase and stimulate your natural collagen and cell turnover. This method will heavily increase the absorption of any active ingredients by 80% as opposed to 8%, this is why we use a hyaluronic acid mask for maximum results.

It is the epitome of luxury with MILLION DOLLAR results.

## Dermaplaning

60 mins - £65

Provides an effective and safe exfoliation treatment that promotes deeper product penetration, boosting the effects of skin care products while making the skin look and feel smoother and also reducing the appearance of acne scars. The treatment also works to remove facial hair that can trap dirt and oils. Recommended for all skin types. Contrary to what you might think, dermaplaning will not make your hair grow back thicker or darker, there's no downtime and it will change your life as far as makeup application goes! We are in love with this new treatment!
