Crystal Clear Resurface & Heal

45 mins - £85

The secret to celebrity skin is here. The answer?

Combining microdermabrasion and phototherapy for red carpet worthy skin every single day.

Resurface & Heal has practically all the answers to your skincare concerns. The innovative twostep process uses microscopic crystals to blast and buff away dead and fibrous cells and attack congestion revealing an instantly smooth, bright, and radiant complexion. The simultaneous light therapy transforms the skin on a cellular level and treats problematic skin from the inside out. Whatever treatment you choose the Resurface & Heal delivers everything the skin needs to intensively rejuvenate, repair, renew and smooth.

imedpen Microneedling

£130

imedpen Microneedling Treatment is an advanced skin therapy that uses a state-of-the-art, automated microneedling device designed to rejuvenate the skin by stimulating its natural healing processes. The device's adjustable needle depth ensures that the treatment is tailored safely to different skin types and conditions. Microneedling, also known as collagen induction therapy, involves fine needles creating micro-injuries to the surface of the skin. This stimulates your body's natural healing processes, promoting the production of collagen and elastin, key proteins for achieving radiant and youthful skin.
